mode of energy generation (viz. solar units, windmill, etc.), in case the aggregate annual generation exceeds such units as may be prescribed; or

(d) electricity sold outside the State and licensees shall have to pay electricity duty on sold energy charges.

(5) (a) For the purpose of computing the electricity duty under this section, the consumption, shown in the meters or any other method to compute the energy sold based on scheduled energy as per CERC/TERC norms shall be taken into account.

(b) For the purpose of sub-section (a), the computing shall be started from the starting of the billing period immediately after the commencement of this Act.

**5. Collection and Payment of Electricity Duty levied on Consumers:**

(1) Every licensee shall collect and pay to the Government at the time and in the manner prescribed on the basis of the aggregate value of energy charges and fixed charges of energy consumed computed through consumption measured (meter reading), the electricity duty payable under section 4 of this Act by every consumer to whom energy is supplied by him. The duty so payable shall be first charged on the amount recoverable by the licensee for the energy supplied by him and shall be a debt due by him to the State Government.

(2) When any consumer fails or neglects to pay at the time and in the manner prescribed, on the basis of the aggregate value of energy charges and fixed charges of energy consumed, the amount of electricity duty due from him, the licensee may, without prejudice to the right of the Government to recover the amount under section 9, after giving not less than seven clear days' notice in writing to such consumer, cut off supply of energy to such consumers and he may, for that purpose, exercise the power conferred on a licensee by sub-section (1) of section 24 of the Indian Electricity Act, 1910, for the recovery of any charge or sum due in respect of energy supplied by him.

**(3)** The State Government or an officer authorized by the State Government, by Notification in this behalf, may, in respect of any consumer,-

- (a)** Extend the date of payment or allow him to pay electricity duty by installments in such manner and on such conditions as may be prescribed;
- (b)** allow deferment of payment of electricity duty under such circumstances, on such conditions and for such period not exceeding five years in aggregate, if deferment is allowed for hundred per cent. of the payment liability of electricity duty and not exceeding seven years in aggregate, if deferment is allowed for fifty per cent. of the payment liability of electricity duty as may be prescribed.

**6. Licensee etc. to keep books of account, records and submit returns:**

**(1)** A licensee or a person engaged in sale or distribution of energy, shall maintain such record and in such form and manner as may be prescribed, showing –

- (a)** the units of energy generated or sold or received by it for supply to the consumer;
- (b)** the units of energy supplied to the consumer or consumed by it;
- (c)** the aggregate value of energy charges and fixed charges received during the period on which duty is payable;
- (d)** the amount of the duty payable thereon and the duty paid or recovered by him under this Act; and
- (e)** such other particulars as may be prescribed.

**(2)** The Board/Corporation, the licensee, or the person distributing energy who has been directed under sub-section (1) to maintain a record shall submit such return, in such form and manner and to such authority as may be prescribed.

- (3) The amount of energy shall, for purpose of para (a) and (b) of sub-section (1), be ascertained in such manner as may be prescribed.

**7. Assessment:**

- (1) If no return in respect of any period is submitted by the Board/Corporation, licensee or the person required to submit return under section 6 or if the return submitted by such Board/Corporation, Licensee or Person appears to the inspecting officers to be incorrect or incomplete, such authority shall, after giving such Board/Corporation, Licensee or Person, as the case may be, a reasonable opportunity of being heard, proceed to assess to the best of his judgement the amount of electricity duty payable under this Act by such Board/Corporation, Licensee or Person.
- (2) No assessment under this section shall be made after the expiry of five years from the end of the return periods to which the assessment relates.

**8. Inspecting officers:**

- (1) The State Government may, for carrying out the purposes of this Act, appoint the Commissioner, and such other persons to assist him as it thinks fit, by notification in the Official Gazette.
- (2) Powers of Inspecting Officers: The Inspecting officers shall perform such duties and exercise such powers as may be prescribed for the purpose of carrying into effect the provisions of this Act and rules made thereunder.

Subject to the provisions of any rules made by the State Government in this behalf, an Inspecting officer may-

- (a) require production for inspection of such books and records as may be necessary for ascertaining or verifying the amount of electricity duty leviable under the Act;
- (b) enter and search any premises where energy is, or is believed to be supplied for the purpose of-

- (i) verifying the statements made in the books of account kept, and returns submitted, under section 6,
  - (ii) testing the reading of meters,
  - (iii) verifying the particulars required in connection with the levy of electricity duty;
- (c) exercise such other power and perform such other duties as may be necessary for carrying out the purposes of this Act or the rules made there under.

All searches made under section (a) & (b) shall be made in accordance with the provisions of the Code of Criminal Procedure, 1898.

**9. Recoveries:**

- (1) Any sum due on account of electricity duty, if not paid at the time and in the manner prescribed, shall be deemed to be in arrears, and thereupon such interest (not exceeding, 24 percent per annum) which the State Government may by general or special order fix, shall be payable on such sum; and the sum together with any interest thereon, shall be recoverable as an arrear of land revenue.
- (2) Where any sum due on account of electricity duty is collected by the licensee or person but not paid to the State Government within a period of thirty days from the due date of payment thereof, such licensee or person shall also be liable to pay penalty on such sum (not exceeding 12 percent per annum) as the State Government may, by general or special order fix and the sum together with interest and penalty shall be recoverable as an arrear of land revenue.
- (3) Where any sum due on account of electricity duty is paid by the consumer but the interest due thereon is not paid by such consumer within six months from the date of such payment, such consumer shall also be liable to pay penalty (not exceeding 12 percent per annum) on such sum as the State Government may, by general or special order fix and such sum together with

interest and penalty shall be recoverable as an arrear of land revenue.

- (4) Where the consumer or, as the case may be, the licensee is liable to pay electricity duty, penalty, interest and he makes payment of an amount which is less than the aggregate of the amount of electricity duty, penalty and interest, the amount so paid shall be first applied towards the amount of interest, thereafter the balance, if any, towards the amount of penalty and thereafter the balance if any, towards the amount of electricity duty.
- (5) The State Government may, by general or special order, waive the whole or any part of interest or penalty under this section in such circumstances, on such terms and conditions and for such period as may be prescribed.

#### **10. Interest:**

- (1) Every person who is liable to pay duty in accordance with the provisions of this Act or the rules made thereunder, but fails to pay the duty or any part thereof to the Government within the period prescribed, shall for the period for which the duty or any part thereof remains unpaid, pay, on his own, interest at the rate one and half percent per month.
- (2) Every person who is in default or is deemed to be in default in making the payment of duty as assessed under section 7 he will be liable to pay interest at the rate one and half percent per month from the date of such default for so long as he continues to make default in the payment of the said duty.
- (3) The State Government shall, in the prescribed manner pay an interest at the rate one and half percent per month of delay in making refund to any person the amount of duty paid in excess which arises from an order under section 7 or section 13 or section 14 passed on assessment or appeal or revision, as the case may be, by the prescribed authority from the first day of the month next following the expiry of three months from the date of such order upto the month preceding the month in which refund is made, upon the amount of duty refundable to him according to

such order.

**11. Penalties:**

If any person-

- (1) fails to keep books of account or to submit returns in accordance with the provisions of section 6 and the rules made in that behalf under section 18, or
- (2) Wilfully obstructs an Inspecting officer in the exercise of the powers conferred upon him by or under this Act,-

he shall, on conviction, be punished with fine which may extend to ten thousand rupees.

**12. Different Authorities and Officers under this Act:**

The Authorities and Officers prescribed under the Tripura Value Added Tax Act, 2004 shall be the ex-officio authorities under this Act.

**13. Appeal:**

- (1) Any person may in the prescribed manner appeal to the prescribed authority against any order of assessment of electricity duty or any other order passed under this Act or the Rules made thereunder within sixty days from the date of receipt of a notice of demand issued after such order of assessment:

Provided that no appeal against an order of assessment or any other order passed under this Act shall be entertained by the prescribed authority unless he is satisfied that fifty percent of amount of duty assessed, fifty percent of interest and penalty levied have been paid.

- (2) Subject to such rules of procedure as may be prescribed, the prescribed authority, in disclosing of any appeal under sub-section (1), may-
  - (a) confirm, modify or annul the assessment of electricity duty or any other order, as the case may be; or

- (b) set-aside the assessment of electricity duty or any other order, as the case may be and direct the authority concern to make a fresh assessment or pass a fresh order after such further enquiry as may be directed or pass an order of refund of such excess duty paid by the person.

**14. Revision:**

- (1) The prescribed authority may call for and examine the record of any proceeding under this Act and if he considers that any order passed therein by any inspecting / assessing / appellate authority is erroneous in so far as it is pre-judicial to the interest of the revenue, he may, after giving the assessee an opportunity of being heard and after making or causing to be made such enquiry as he deems necessary pass such orders thereon as the circumstances of the case justify.
- (2) Any person objecting to an order passed under section 7 or section 13 or any other order passed by any authority subordinate to the Commissioner may apply for revision of such order to the prescribed authority within sixty days from the date of receipt of the order of the appellate authority or assessing authority, as the case may be.

Provided that no petition for revision by any person shall be admitted by the Commissioner unless fifty percent of the amount of duty assessed, fifty percent of the amount of interest and penalty levied have been paid by the person preferring revision before the Commissioner.

- (3) The Commissioner shall not revise any order under this sections in the following cases:
  - (a) Where an appeal against the order lies under section 13 but has not been made and the time within which such appeal may be made has not expired; or
  - (b) Where the order is pending on appeal under section 13.

**15. Offences and penalties:**

Whoever,-

- (2) The Government may by Notification in the Gazette, exempt any consumer from the payment of the whole or any portion of the electricity duty payable on energy generated and consumed by him during periods when there is failure of supply of energy by the licensee or there is only a restricted supply of energy by the licensee, as the case may be.

**18. Power to make Rules:**

- (1) The Government may make rules to carry out the purposes of this Act.
- (2) In particular and without prejudice to the generality of the foregoing power, such rules may provide for-

- (a) the time and the manner of payment of electricity duty under section 5,
  - (b) the point at which, and manner in which, a meter shall be installed as required by section 5,
  - (c) the form of the books of account required to be kept under section 6,
  - (d) the times at which, the form in which, and the officers to whom, the returns required by section 6 should be submitted;
  - (e) the duties and powers of inspecting officers appointed under section 8, and
  - (f) any other matter for which there is no provision or insufficient provision in this Act and for which provision is, in the opinion of the Government, necessary for giving effect to the purpose of this Act.
- (3) In making a rule under sub-section (1) or sub-section (2) the Government may provide that a breach thereof shall be punishable with fine not exceeding ten thousand rupees.
- (4) Every rule made under this Act and every Notification issued by the Government under this Act shall be laid, as soon as may be after it is made.

**19. Protection of Action taken in good faith:**

No suit, prosecution or other legal proceedings shall be against any person for anything which in good faith, done or intended to be done under this Act.

**20. Automation:**

- (1) The Government shall endeavour to introduce and establish an automated data processing system for complementing the purposes of the Act and for incidental and allied matters.

- (2) In order to make the said system effective, the Government may from time to time make regulations for regulating the interactions between the dealers, authorities appointed or constituted under the Act and the Government Treasury.

**21. Removal of Difficulties:**

- (1) If any difficulty arises in giving effect to any provisions of this Act, the Government may, by a general or a special order published in the Official Gazette, make such provisions not inconsistent with the provisions of this Act or the rules or regulations made thereunder, as may be necessary or expedient for the purpose of removing the said difficulty:

Provided that no such order shall be made after the expiry of a period of two years from the date of commencement of this Act.

- (2) Every order made under this section shall be laid, as soon as may be, after it is made, before the State Legislature.

**22. Repeal and Savings:**

- (1) The Tripura Electricity Duty Ordinance, 2019 (The Tripura Ordinance No. 2 of 2019) is hereby repealed;
- (2) Notwithstanding such repeal, any Notification and Order issued or any action taken under the Ordinance, so repealed shall be deemed to have been issued or taken under the corresponding provisions of this Act.

**STATEMENT OF OBJECTS & REASONS**

With the twin objectives of generating additional resources and development of electrical infrastructure in the State of Tripura, the State Government proposes the introduction of The Tripura Electricity Duty Bill, 2019 on the sale or consumption of electrical energy in the State of Tripura.

**2.** Better electrical infrastructure are likely to generate more economic activity in the State of Tripura which may usher a virtuous circle of economy for betterment of every Citizen of the State. It may increase better business opportunity and may also reduce the cost of business in this State which may attract more investment in this State.

**3.** By introducing the proposed Tripura Electricity Duty Bill, 2019 the revenue base will be broadened. It will lead to substantial increase in the collection of state revenue.

**4.** As the House of the Tripura Legislative Assembly was not in session and immediate action was required to be taken in this regard, the Governor promulgated the Tripura Electricity Duty Ordinance, 2019 (The Tripura Ordinance No. 2 of 2019) on 3<sup>rd</sup> August, 2019. The Bill now seeks to replace the said Ordinance.

**(JISHNU DEV VARMA)**  
Deputy Chief Minister  
Government of Tripura

### **TECHNICAL REPORT**

The proposed Bill provides for the levy of Duty on the sale or consumption of electrical energy in the State of Tripura. The subject matter of the Bill conforms to the provisions of Clause (1) of the Article 286 of the Constitution of India and is relatable to Entry 53 of List-II (State List) of the Seventh Schedule to the Constitution of India.

The State Legislature is competent to legislate on the subject under sub-clause (1) of Clause 246A of the Constitution of India. The Provisions of the Bill are not repugnant to any provision of any existing Central Law. It does not attract the proviso to Article 304(b) of the Constitution of India.

The Bill is money bill as defined in sub-clause (a) of Clause-I of Article 199 of the Constitution of India and as such recommendation of the Governor as required under clause (1) of Article 207 of the Constitution of India will be required for introduction of the Bill in the Tripura Legislative Assembly.

## **FINANCIAL MEMORANDUM**

As the existing infrastructure would be utilized for implementation of The Tripura Electricity Duty Bill, 2019 on the sale or consumption of electrical energy in the State of Tripura it would not involve any additional expenditure.
